

ShougAlomran;

[SOFTWARE ENGINEER • CYBERSECURITY MINOR • FOUNDER]

@shoug.alomran@shoug-tech.com • Riyadh, Saudi Arabia • li/shoug-alomran • Shoug-Tech.com

ABOUT

Software Engineer pursuing a bachelor's degree in Software Engineering with a minor in Cybersecurity at Prince Sultan University. Experienced in designing, developing, deploying, and documenting secure full-stack systems from concept to completion, with a focus on clean architecture, maintainability, and practical problem-solving.

EDUCATION

BSc Software Engineering, Minor in Cybersecurity

Sep 2023 – Dec 2028

Prince Sultan University • Riyadh, Saudi Arabia

Activities: Software Engineering Club, Mental Health & Well-Being Club, Peer Tutor

SELECTED PROJECTS

SHOUG.TECH Platform

shoug-tech.com

React • MkDocs • Firebase • Cloudflare

- Built and deployed a searchable technical platform and digital garden; implemented Firebase authentication, learning-progress tracking, and community features.

Blueprint Studio

blueprint.shoug-tech.com

Web Development • UI/UX • Deployment

- Founded a digital studio creating professional portfolio websites and digital solutions for students, researchers, and professionals.

Sillah Health Management System

React • Supabase • SQL • Authentication

- Designed a responsive family health platform with authenticated data workflows and relational database-backed operational screens.

ACM CTF Platform

React • Cybersecurity • GitHub Pages

- Developed and deployed a responsive cybersecurity competition platform focused on clear participant workflows and technical engagement.

EXPERIENCE

Founder

Present

Blueprint Studio • Riyadh, Saudi Arabia

- Lead client discovery, system design, development, deployment, and documentation for professional digital products.

ACM-Chapter Club

Part-time • 7 mos

Riyadh, Saudi Arabia • Hybrid

Vice President

Apr 2026 – Present • 3 mos

- Lead strategic initiatives and oversee cross-functional operations to support the growth and impact of the organization.
- Build on liaison experience to support chapter planning, officer coordination, and student engagement.

Liaison Officer

Nov 2025 – Apr 2026 • 6 mos

- Acted as a bridge between the ACM Chapter, its members, and external partners.
- Supported outreach, recruitment, event promotion, and communications with officers.

Course Instructor

Aug 2025 – Present

Qimah | قما • Riyadh, Saudi Arabia

- Developed Psychology 101 learning materials and slides.
- Created podcasts, summaries, and study aids.
- Prepared quizzes, mock exams, and question banks.

62	Trainee in Cybersecurity	Mar 2025 – May 2026
63	MDD · Riyadh, Saudi Arabia	
64	▶ Conducted supervised penetration testing activities within cybersecurity training environments.	
65	▶ Practiced vulnerability identification, web security assessment, and security documentation workflows.	
66	▶ Researched spam filtering tools and email threats; performed supervised web testing using Burp Suite.	
67		
68	Peer Tutor	Jan 2025 – Present
69		
70	PSU - Writing and Tutoring Center (WTC) · Riyadh, Saudi Arabia	
71	▶ Tutored students and clarified course concepts.	
72	▶ Supported development of study strategies.	
73		
74	Event Management Member	May 2023 – Present
75	Mental Health & Well-Being Club · Riyadh, Saudi Arabia	
76	▶ Assisted in planning and running campus events.	
77	▶ Collaborated on logistics and outreach.	
78		
79	Administrative Assistant - Paid Part-time Role	Jul 2022 – Aug 2022 · 2 mos
80	Hikayat Athar حكاية أثر · Riyadh, Saudi Arabia · On-site	
81	▶ Organized and summarized documents, data, records, and reports using Microsoft Word, PowerPoint, and Excel.	
82	▶ Managed social media and proofread correspondence; the paid role also qualified for high-school volunteer credit hours.	
83		
84	▼ VOLUNTEER	array
85		
86	Workshop Presenter (Arabic) - My Journey as a Student Tutor	Feb 10, 2026
87	Prince Sultan University - WTC · Riyadh, Saudi Arabia	
88	▶ Delivered a public workshop reflecting on tutoring experience and practical approaches for student tutors.	
89	▶ Focused on communication, adapting explanation styles, and improving student learning outcomes.	
90		
91	Student Volunteer	Dec 2022
92	Wafaa Center for Day Care	
93	▶ Assisted staff and guided student activities.	
94		
95	Research Participant	2024 – 2024
96	Prince Sultan University	
97	▶ Participated in eye-tracking, career, and linguistic studies.	
98		
99	▼ CERTIFICATIONS	array
100		
101	Certificate of Appreciation - My Journey as a Student Tutor Workshop	Feb 2026
102	Prince Sultan University - Writing & Tutoring Center (WTC)	
103	Recognized for presenting a public workshop on peer tutoring, communication, adaptable explanation styles, and student learning outcomes.	
104		
105	PSU Capture The Flag 1.0 - Second Position	Nov 2025
106	Prince Sultan University - College of Computer and Information Sciences	
107	Awarded second place for applying practical cybersecurity, ethical-hacking, analytical, and collaborative problem-solving skills.	
108		
109	First Aid Provider	
110	AI in Robotics Bootcamp 2025	2025
111	Prince Sultan University	
112	Completed hands-on robotics training using Arduino Uno and AI-driven robotics concepts.	
113		
114	Offensive Security Crash Course (ASCL - PSU)	Jan 2026
115	Prince Sultan University - Automated Systems & Computing Lab	
116	Completed a three-day cybersecurity crash course focused on offensive-security concepts and practical security workflows.	
117		
118	▼ TECHNICAL SKILLS	object
119		
120	const cybersecurity = Penetration Testing, Spam Filtering, Burp Suite, Linux, GitHub	
121	const development = React, JavaScript, HTML5, CSS3, REST APIs, Responsive Web Development	
122	const backend_data = Firebase, Supabase, SQL, Authentication, Relational Database Design	
123	const cloud_tools = Cloudflare, Google Cloud, Google Search Console, Git, GitHub, MkDocs	
124	const engineering = System Design, Clean Architecture, Requirements Engineering, UML, Technical Documentation
